

GHCP New Member Orientation Event – A Big Success!!!

On Saturday, May 29, the GHCP New Member Orientation event was held at the Clubhouse. This was the first event of its kind in the GHCP Community and, judging by the enthusiasm of those attending, it will not be the last. Over the past two years, several new owners have joined the community. This event was organized to share the history of the community with new members, explain how the community is organized and managed, and to provide an opportunity for new members to learn more about various activities available to them in Glebe Harbor and Cabin Point. Eight stations were set up around the Rotunda in the Clubhouse, giving new members the opportunity to meet and greet other presenters who could share one-on-one and answer questions about the community. The meeting was well-attended with over 60 people in attendance (43 of whom are new owners). This was an informal and fun event. Two gift baskets, filled with donated items from local merchants, were given away. Linda Berry and Patti Wheeler were the recipients of the gift baskets. An informative and fun time was had by all.
